INDEPENDENT AUDITOR'S REPORT

Board of Supervisors

Pursuant to Government Code 26920(a), we have reviewed the accompanying Statement of Assets Held by the County Treasury as of March 31, 2004 (financial statement) in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in this financial statement in the representation of the management of the Treasurer's Office.

A review consists principally of inquiries of Treasury personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, with the exception of the matter described in the following paragraph, we are not aware of any material modifications that should be made to the accompanying financial statement prepared on the cash basis, as modified, which is a comprehensive basis of accounting other than United States generally accepted accounting principles.

Management has elected to omit all disclosures ordinarily included in a financial statement prepared on the cash basis, as modified. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Treasurer's assets. Accordingly, this financial statement is not designed for those who are not informed about such matters.

This report is intended for the information of the management of the County of Orange Auditor-Controller.

However, this report is a matter of public record and its distribution is not limited.

Sincerely,

Dr. Peter Hughes, CPA
Director, Internal Audit
